www.arjmobile.com

The Country

- Population (2011) - 196.655.014.
- Brazil is the 5th biggest country in the world.
- 8.547.403km² of land

The Country

But everybody knows us by our Football and Carnival.

The Country

But we are crazy about OPEN SOURCE!

The main problem!

We speak Portuguese, we can speak Spanish, but there is a barrier with English.

- Fug-BR was created at 1990.

Fug-BR provide:

- Web site.
- Forum.
- Mailing list.
- Events, congress, BBQ, beers and so on.

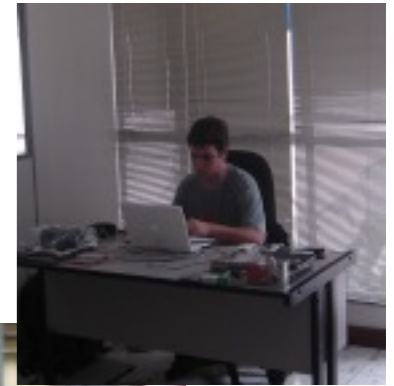

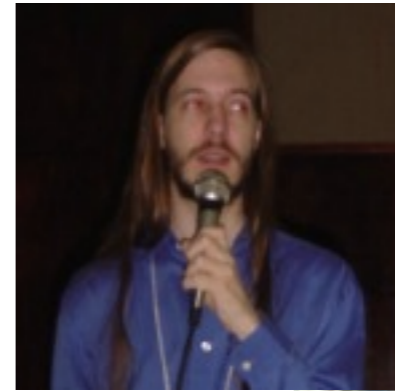

www.fug.com.br

Fug-BR web site:

- Mails per month: ~40
- Forum (2012 Jun):
 - 269 Messages.
 - 48 Different topics.
- 180 Articles published.
- 23 tips.
- 18 FAQ.
- 415 News.

8 Brazilian Developers:

- Daniel C. Sobral - dcs@
- Mário Sérgio - lioux@
- Renato Botelho - garga@
- Marcos Grando - mnag@
- Jean Mello - jmelo@
- Marcelo Araujo - araujo@
- Felipe Motta - lippe@
- Sylvio Amorim - sylvio@

- The company FreeBSD Brasil Ltda (BSD CERTIFICATION).
- DOC-BR Project:
 - FDP-Primer book.
 - Linux-users article.
 - Contributing article.
 - Problem-reports.
 - Explaining-BSD.
- DOC PRs: 170468, 170470, 170531, 170658, 170672, 170681. (All submitted on August).

- Donation to FreeBSD Foundation.
- Success Stories.
- Website, and resources in PT_BR.
- A huge user base.

However, it is not enough.
But we are moving forward.
