EMPLOYER DISCLAIMER OF RIGHTS

    We agree that software and other authored works of the 'Released
Category' (defined below), made by our employee/consultant,
__David_E._O'Brien_____, prior to the date of this document, and for
infinite years thereafter, are freely assignable by said
employee/consultant to Free Software Foundation (FSF) for distribution
and sharing under its free software policies. We disclaim any status
as the author or owner of such works.

    The Released Category comprises the GNU GCC software suite.

    We affirm that we will do nothing in the future to undermine this
release. If we have or acquire hereafter any patent or interface
copyright or other intellectual property interest dominating the
works, or the programs to which these works constitute changes and
enhancements, or use of those programs, then the Free Software
Foundation and the general public will be permanently and irrevocably
licensed to use, in these works and in the programs they enhance,
without royalty or limitation, the subject matter of the dominating
interest.

    We make no warranty as to the quality of the material or as to
the presence or absence of rights therein of any other party, and we
do not purport to disclaim, release or grant any rights other than our
own.

    Given as a sealed instrument this _____ day of _____, 20____.
